WELCOME

You have stepped into the cocktail "NARNIA" in the heart of Slovakia's capital, Bratislava, on Michalská Street, a place soaked in history.

In the past, only residential homes of craftsmen and merchants stood here, most of which have foundations dating back to the Middle Ages. Today, you find yourself in one of those buildings, but the ambiance has shifted, and you have been transported back to the Prohibition Era.

Michalská Cocktail Room is a small, secret bar following the "SPEAKEASY" concept. Speakeasy bars gained prominence in the United States during the Prohibition Era (1920-1933), referring to establishments that illegally and secretly sold alcoholic beverages - a term still in use today.

CLASSIC COCKTAILS

In the first chapter of our cocktail menu, you will find our best-selling classic drinks.

Most of them originate from past eras and were created by legendary bartenders. We begin with the earliest known definition of the word "cocktail" published on May 13, 1806, in a New York newspaper.

You know how we call it today?

the journey starts here
